2nd November 2020

Dear parents/ carers,

Today we have received an email from the Waterton Academy Trust asking all schools in the trust to encourage parents to wear a facemask for the school run when dropping children off/ collecting children.

Please help school to support this by wearing a face covering when you bring your child to school/ collect them from school.

With Wakefield entering lockdown restrictions from Thursday, it is now more important than ever that we all do what we can to help stop the spread of coronavirus. The only way we will move out restrictions is if we all play our part – this is especially important as we move towards the festive period.

Whilst this is not enforceable, we are lucky to have a very supportive school community, and we know that parents will work with us to keep everyone safe. Staff will be reminding parents on the playground.

Could I also remind parents/carers not to engage in face to face conversations with teachers on the doors, should you wish to speak to your child's class teacher please telephone the school office and they will call you back.

As with all COVID measures, school has followed all guidelines and instructions from the Department for Education, Public Health & Waterton Academy Trust. We will continue to update parents and communicate any changes/ restrictions, as we are made aware.

Thank you for your continued support and understanding

Mrs C Holloway
